

# Alice Deal Middle School

Service in Action is an important component of any IBMYP school and is a large portion of being a student at Alice Deal Middle School. As an IBMYP student, every student must engage in authentic service in action. This service in action can be completed in school (part of a class or club activity) or outside of school. Our goal is for each Alice Deal student to make connections between class content and possible action, and/or take positive action to help the communities around them.

## Requirements:

- Authentic Service- please note, simply putting a box in front of the welcome center asking for donations is not authentic service. Authentic service is well- planned, meaningful, purposeful action that assists a person, group, or organization.
- 6<sup>th</sup> Grade: At minimum, all students must complete **5** service in action hours
- 7<sup>th</sup> Grade: At minimum, all students must complete **10** service in action hours. NJHS requires **15** hours.
- 8<sup>th</sup> Grade: Completion of **IBMYP Community Project** (a min of 15 hours for project required)
- Completed Service in Action signed log and reflection

## Service Log and Reflection:

Student Name: \_\_\_\_\_ Student Grade: \_\_\_\_\_ Student Team: \_\_\_\_\_

Organization/Teacher Name	Organization Contact/Supervisor	Time Spent doing Service	Supervisor Signature

What is the organization’s mission? \_\_\_\_\_

What did you do for the organization? \_\_\_\_\_

What learner profile attribute did you use most and why? \_\_\_\_\_

What impact to the mission did your service have? \_\_\_\_\_

What is one major take away from your service? \_\_\_\_\_
